

# Year One – Spring Curriculum Newsletter

Our Big Question this term is:

**What if it wasn't today?**

## Our Year One Curriculum:

The presentation shared with you in September provides a brief overview of Year 1, what we teach when and how you can support your child at home. Please ask us if you would like this to be shared with you again. We will also be sending home a knowledge organiser with a brief outline of what's to come in the Spring term so keep an eye out for that!

Starting school on time is very important! The doors to the classroom will be open from **8:45 until 8:55** when our learning will begin. Please ensure your child is in school by **8:55**. After this time, the doors to the classrooms will be closed and you will be required to take your child to the office.
