Being the best we can be

9th September 2022

A message from Mrs Gynn

Welcome back to everyone! Our first 7 days have flown by!

It has been lovely to see old faces returning and to also meet new faces. We have certainly enjoyed seeing our school full once again!

We have welcomed two new member of staff and lots of new children too. Please join me in saying hello to Mrs O'Shea who is the new teacher in Bluebells and our Assistant Head teacher too and to Miss Cross who is our new teacher in Buttercups. A warm welcome to new children who have joined Key Stage 1; Oviana, Bella, Johan. Everyone has had a fantastic start.

Teachers in Poppy, Daisy and Sunflower classes have also been busy meeting their new children. We were so excited to see them all start on Monday. I am sure you have some very tired children coming home today.

Sad news yesterday

Queen Elizabeth has been a reassuring consistent throughout our lives, ascending to the throne on 6 February 1952, making her the longest-reigning monarch in British history. Over the past 70 years, Her Majesty has been dedicated to the service of the country and the commonwealth. I am sure we are all remembering her today. There will be a book of condolence placed in the main Reception area, I invite you to call in and write a message in it, if you would like to.

Following on from my post on Class Dojo earlier this week, sharing the Ofsted Report with you, I would like to highlight some of the main messages.

Pupils, parents and carers are proud of their school.

Pupils enjoy learning.

Pupils live out the school's values of 'be the best you can be' in all aspects of their school day.

The arrangements for safeguarding are effective.

The school is supportive and caring.

Leaders are ambitious for all pupils to do well.

Pupils with SEND receive a curriculum that is well matched to their needs.

Content in all curriculum subjects is well sequenced.

Pupils are polite and friendly.

Myself and the staff are very proud that all of these things were recognised by the inspection. I hope you are too.

I would like to thank everybody for all their hard work, their commitment and dedication.

Lots of work has happened over the holidays to improve the school building and the grounds, so that the children can receive the best possible provision. Here are just a few pictures to show you:

New storage cupboards and new rugs in

every classroom.

Wonderful new art work in the library - on both sides of the room. It is amazing.

We also have a brand new heating system so should be nice and warm in the winter.

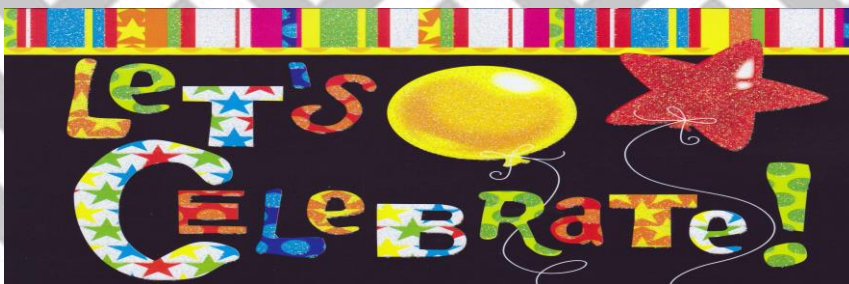

Our new theme this term for Reception, year 1 and 2 children is:

What would happen if Paddington was lost in Daventry?

Curriculum information will be coming out shortly.

We shall be having a teddy bear's picnic on Monday to welcome Paddington. Please send your children to school with their own teddy, who can then join in with the fun.

We celebrated with:
