## Message from Mrs Gynn

Our first full week back has been very busy. From the very youngest - in Poppy Class, to the oldest.

The children have been questioning what is behind the many different doors we have around school. The ones in the playground have certainly made children feel curious. Look out for changes to them next week. This will be the focus of a lot of their learning this term and will really help the children progress through our 'recovery curriculum' which is focusing upon maths and English - reading and writing. In Poppy class, they have begun answering the question 'What if things change?' You should have received curriculum newsletters this week which hopefully have provided you with lots of information about what is happening in school.

Our youngest children in Poppy, Daisy and Sunflower classes are settling into their new classroom and playing so nicely together. It has been lovely to welcome them. They already know where to go and what to do!

All teachers have had a wonderful first full week with your children. It has been tiring for everyone, so I am sure everyone is looking forward to a restful weekend.

Such a big thank you to all of the children and parents who have donated plants this week for our flower beds. They are going to be planted this weekend and will look lovely. I really appreciate your support.

Please do remember to send in wellies, so that we can have indoor and outdoor shoes in school.

I hope your weekend is lovely and look forward to seeing you on Monday.

Certificates have been awarded to:

- |                          |  |                                     |
|--------------------------|--|-------------------------------------|
| <b>Express Yourself</b>  | Wonderful art, design, technology, music or P.E. work        | <b>Negithan - Dandelion Class</b>   |

| <b>World of Words</b>    | Great reading, writing, speaking and listening or drama work | <b>Aroua - Buttercup Class</b>      |
| <b>Being Your Best</b>   |  | <b>Connie - Snowdrop Class</b>      |
| <b>Wow!</b>              |  | <b>Maria - Buttercup Class</b>      |

We celebrated with:

**Cameron who was 6! and Liga who was 6 too! Happy Birthday to them both.**

## What's Coming Up?

Parent Drop-in: 13.9.20 and 21.9.20. If you would like to check how your child has settled, please sign up for a small chat.

Open Mornings: 23.9.20, 1.10.20, 7.10.20, 13.10.20 - for all of you who may have children ready to start Pre-School and school in September 2020. Please choose a convenient day from the list and contact school to make an appointment. You will be given a specific time to arrive.

Walk to school week: w.b. 5.10.20

More photos of the changes around school. This weeks are the classrooms in Reception and Pre-School. Enjoy!

Outdoors

Sunflowers

Poppies

Daisies

I am aware that we have adults and children beginning to suffer with colds. During this time, it has been confusing to separate the symptoms of a cold with those of coronavirus. I hope the advice

**Cold symptoms** come on gradually and can include:

- a blocked or runny nose
- a sore throat
- headaches
- muscle aches
- coughs
- sneezing
- a raised temperature
- pressure in your ears and face
- loss of taste and smell

**NHS  
England**

**What to do if you have symptoms of coronavirus:**

1. Get a test as soon as possible
2. Stay at home and do not have visitors for 7 days (if other symptoms are present)
3. Return to school immediately if you have a negative test or no new symptoms appear

**Coronavirus symptoms:**

- If you have a high temperature, a new continuous cough or loss of sense smell or taste:
- a high temperature means you feel hot to touch on your chest or back
  - a new continuous cough means coughing a lot for more than an hour
  - a loss of sense of smell or taste means you've noticed you cannot smell or taste anything or things smell different
